HOW TO BUY CRYPTOCURRENCY

HOW TO INSTALL YOUR CRYPTO.COM APP

- **Crypto.com** is a mobile app to buy bitcoin and 150+ cryptocurrencies with 20+ fiat currencies. In this case you will buy Tether (USDT) with EUR or USD.

- You can get the app on **Google Play** or the **App Store** (be carefull not to install *Crypto Exchange* nor *Crypto Pay*).

  You can use the following referral link to to sign up and get $25 USD: https://crypto.com/app/yrcqj9mbqa (referral code: yrcqj9mbqa)

- Once installed in your mobile you need to create an account. You need to provide: email address, ID card, telephone number, and selfie.

- Make sure to set your "*payment currency*" to EUR during the account creation process. If not, you can set it up before making your first deposit: *home - settings - payment currency - select your payment currency (€ or $)*
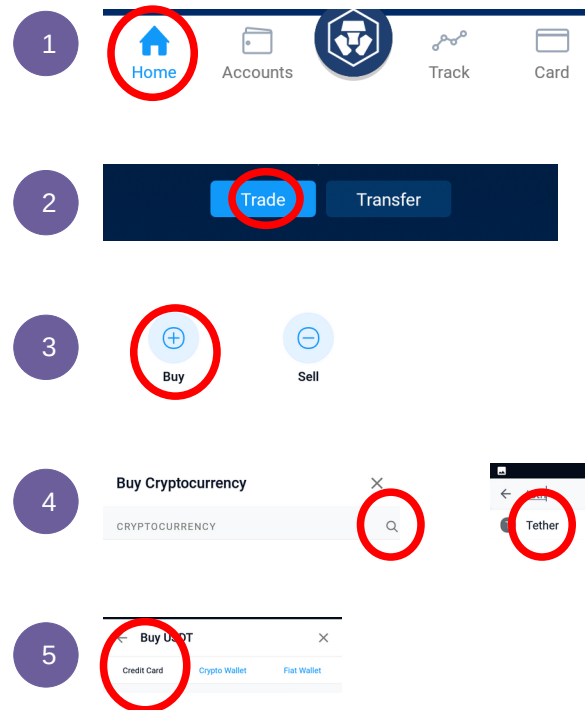

crypto.com

HOW TO ADD YOUR CREDIT OR DEBIT CARD

Access your Crypto.com account from your mobile app and go to:

1 Home

2 Trade

3 Buy

4 Search for: **Tether** (USDT)

5 Make sure the **Credit Card** option is selected (other options are: Crypto Wallet and Fiat Wallet)

HOW TO ADD YOUR CREDIT OR DEBIT CARD

6 Select "**Add Credit or Debit Card**"

7 Add the card details: *Card No., exp. date, CVV, first name, last name*

8 Click on "**Add card**"

9 Your card will be added to your "**saved cards**" list

Note: You will see a $0.10 SGD authorisation hold appear on your statement. You will not be charged.

HOW TO BUY CRYPTOCURRENCY

Access your Crypto.com account from your mobile app and go to:

1 Home

2 Trade

3 Buy

4 Search for: **Tether** (USDT) **(ERC20)**

5 Your Credit or Debit Card should be selected by default.

6 Indicate the amount of USDT you want to buy (the systems shows 100 USDT by default and, on top of this amount, you will be able to see the amount in EUR or USD that will be charged to your credit or debit card)

7 Click on the blue button "**Buy 1025 USDT**"
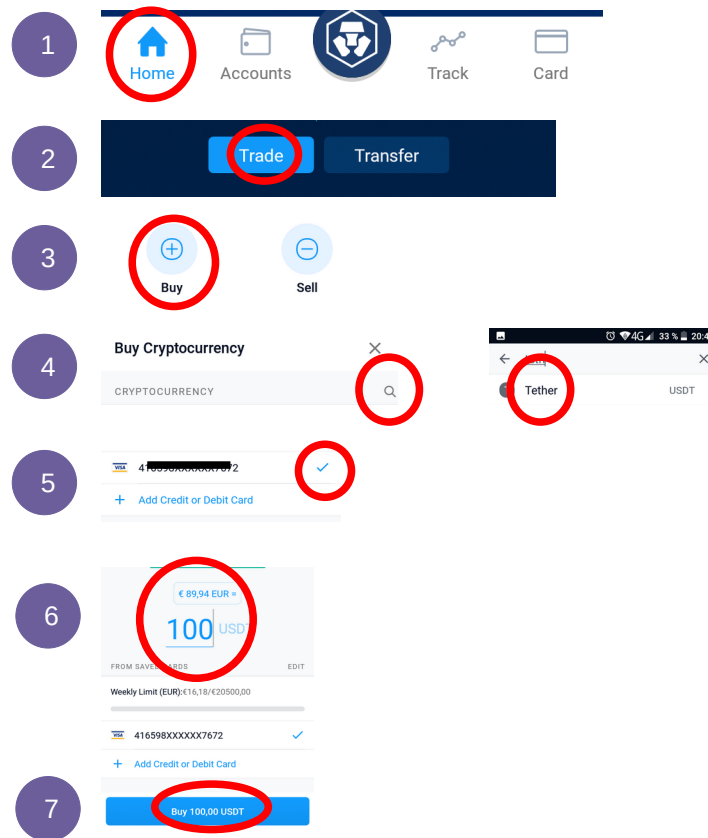

NOTE: The 2.99% fee is waived from all your deposits during the first 30 days after opening your account. You also have a weekly limit of 20500 €
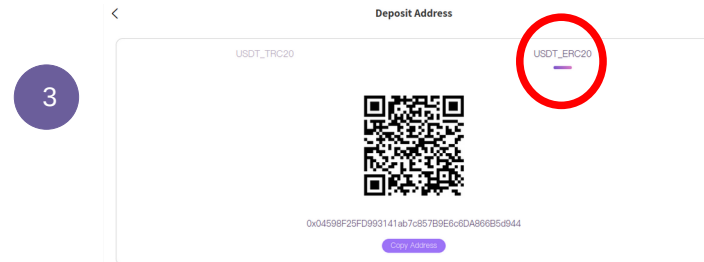

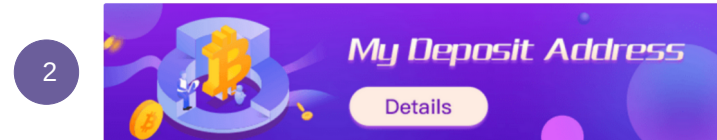

HOW TO SET UP YOUR WITHDRAWAL

Before making you first withdrawal of crypto currency from Crypto.com you need to have an account in Hyper Fund (refer to slide "**How do I become a member**").

Once you have your account in Hyper Fund you need to find out your "**Deposit address**". To do this access Hyper Fund from the web page and go to:

1 Account

2 Click on the purple banner "**My deposit address**"

3 Select "**USDT_ERC20**" to see your QR code and your address (underneath).
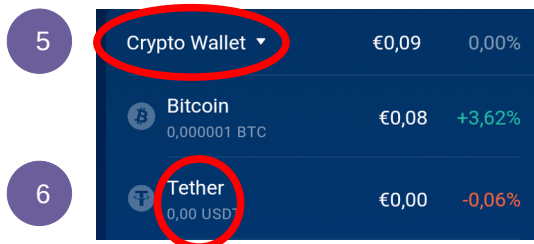

HOW TO SET UP YOUR WITHDRAWAL
